**A Special Offer for Your
Church, Christian Recovery Group or Program, Clergy, James Club, Study
Group**

We have had no more popular, widely requested, and much used title by Christians in and out of Alcoholics Anonymous and by those who truly want to know and use the basic ideas that early AAs took and used from the Bible in the early A.A. Christian Fellowship in Akron, Ohio.

This is the program that had a documented 75% to 93% success rate among seemingly hopeless, medically incurable, real alcoholics who turned to God for help and went to every possible length to establish a relationship and fellowship with Him and His son, and love and serve them.
